

How to obtain a **GREEN** AccessCode? (for construction sector)

updated as of 26 June 2020

Why is my worker's AccessCode **RED**/**GREY**?

If you have obtained **BCA's approval**, but workers still have "**Grey**" AccessCode after 3 days, it could be due to one or more of the following reasons:

- Project/company did not include the worker in the submission for approval
- Missing/wrong workers' information in the submission (e.g. wrong FIN/UEN or FIN entered is not under the employment of the UEN entered)

Company has not submitted project/workers to BCA for approval

What can you do?

Submit/resubmit an application* for construction/supply works at BCA's website: <https://go.gov.sg/bca-construction-supply>

*Please ensure the full list of workers to be deployed for work is included in the resubmission.

If none of the above reasons apply to you, please contact us at BCA_SafeWorkforce@bca.gov.sg for assistance.
