HOW TO KEEP WORKSITES COVID-SAFE
AT COMMON FACILITIES?
(E.g. Canteen, Toilet, Rest Areas, etc.)

1A Dedicated Facilities
- Dedicated facility that can be used by only 1 team of workers
- Dedicated walkway to facility
- Frequent disinfecting of common touch points

1B If You Have Shared Facilities
- Staggered timing for different teams of workers
- Only 1 team using any shared facility at any point of time
- Frequent disinfecting of common touch points

2 Meal Time
- Provide individually packed meals
- Remind workers not to share food, tableware and cutlery
- Cooking is not allowed on site
