

COVID-Safe Restart of Renovation Works on 2 June 2020

Updated on 4 Jun 2020

WHO SHOULD APPLY?

All companies performing renovation works.

WHAT TYPES OF RENOVATION WORKS CAN RESUME ON 2 JUNE?

Renovation works at residential units that were suspended on 7 Apr 2020.

HOW TO APPLY?

Apply to BCA at:

<https://go.gov.sg/bca-reno-construction-accounts>

For renovation works that were previously approved by HDB, companies can apply to change the dates through HDB's APEX system.

WHAT DO COMPANIES NEED TO SUBMIT TO BCA?

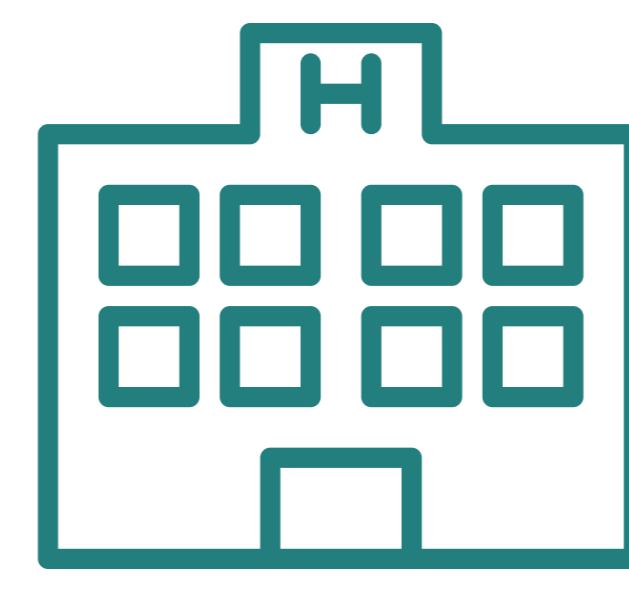

- Address of renovation site
- Names and particulars of all employees
- Nature of works being performed

WHO NEEDS TO BE TESTED?

Upon receiving BCA's approval, Construction Work Permit and S Pass holders NOT residing in dormitories can resume work. They will need to undergo periodic COVID-19 testing after they start work.

Singapore Citizens, Permanent Residents and Employment Pass holders do not need to be tested.

HOW SHOULD COMPANIES ARRANGE FOR WORKERS TO BE TESTED?

Upon receiving companies' applications, BCA will contact eligible companies to arrange for employees to be tested.

WHAT MUST COMPANIES COMPLY WITH?

BCA's COVID-Safe Restart Criteria

- **COVID-Safe Workforce**
(use of contact tracing apps, periodic COVID-19 testing and completion of BCA's 'COVID-Safe Training for Workers' online course^ within 4 weeks)
- **COVID-Safe Worker Accommodation and Transport**
(dedicated accommodation and transport between work site and accommodation)

MOM's Safe Management Measures

^Only Work Permit and Special Pass holders need to attend. They may start work while completing the course. The course is free of charge. Register at <https://go.gov.sg/BESafe-Register>

BCA's advisory on the restart of renovation works: <https://go.gov.sg/bca-adv-updated-application-requirements-reno-works>

For resumption of building works for landed residential properties (single dwelling unit), please refer to the criteria from BCA's advisory at <https://go.gov.sg/bca-advisory-restart-construction>
