

Built Environment Leadership Award

The Award

Now into its second year, the Built Environment Leadership Award is introduced to recognise outstanding industry firms such as developers, consultants (Architectural, Structural and M&E) and builders that have demonstrated excellence and leadership in shaping a safe, high quality, sustainable and friendly built environment in Singapore. It also aims to serve as a comprehensive roadmap for the building and construction industry to level up and spur these organisations towards higher degree of professionalism with enhanced capabilities and competitiveness.
