

# BCA BUILT ENVIRONMENT LEADERSHIP AWARD

## The Award

The Built Environment Leadership Award was introduced to recognise outstanding industry firms such as developers, consultants (Architectural, Structural and M&E) and builders that have demonstrated excellence and leadership in shaping a safe, high quality, sustainable and friendly built environment in Singapore. It also aims to serve as a comprehensive roadmap for the building and construction industry to level up and spur these organisations towards higher degree of professionalism with enhanced capabilities and competitiveness.

To-date, a total of 3 Platinum and 14 Gold Class has been given out since the inception of the Award in 2009.

## Types of Award

- Platinum
