

BCA BUILT ENVIRONMENT LEADERSHIP AWARD

THE AWARD

The Built Environment Leadership Award was introduced to recognise outstanding industry firms such as developers, consultants (Architectural, Structural and M&E) and builders that have demonstrated excellence and leadership in shaping a safe, high quality, sustainable and friendly built environment in Singapore. It also aims to serve as a comprehensive roadmap for the building and construction industry to level up and spur these organisations toward higher degree of professionalism, enhanced capabilities, competitiveness and productivity.

Since the inception of the Award in 2009, 19 firms have been awarded. This year, 1 Platinum and 6 Gold Class Awards were given out.
