

BCA AWARDS 2016

Recognising Excellence in the Built Environment

Building and Construction  Authority

We shape a **safe**, **high quality**, **sustainable** and **friendly** built environment.

Built Environment Leadership Award

The Built Environment Leadership Award was introduced to recognise outstanding industry firms such as developers, consultants (Architectural, Structural and M&E) and builders, which have demonstrated excellence and leadership in shaping a safe, high quality, sustainable and friendly built environment in Singapore. It also aims to serve as a comprehensive roadmap for the building and construction industry to level up and spur these organisations towards higher degree of professionalism with enhanced capabilities and competitiveness.

To-date, a total of 4 Platinum and 21 Gold Class awards have been given out since the inception of the Award in 2009.

There are two types of Award

– **Platinum** and **Gold Class**

The Awards will be given out for the following six categories:

- | | |
|------------------------------|----------------------------------|
| i) Developer / Owner | iv) M&E Consultant |
| ii) Architectural Consultant | v) Multi-Disciplinary Consultant |
