Recognising Excellence in the Built Environment

Building and Construction  Authority

We shape a **safe**, **high quality**, **sustainable** and **friendly** built environment.

# Quality Excellence Award

The Quality Excellence Award recognises developers and builders for their commitment and achievement in delivering high quality homes. It serves to raise the profile of leading progressive developers and builders which have embraced workmanship excellence through quality assurance programmes and delivered high quality projects consistently. The award aims to encourage more developers and builders to set high quality standards for their projects and improve the image of the industry.
