WANT TO KNOW HOW GREEN IS YOUR WORKPLACE? SIGN UP FOR A FREE ASSESSMENT TODAY!

If you are a SME owning or leasing office, retail, restaurant and supermarket premises within a building, you can sign up for a **free** basic assessment under the Building and Construction Authority (BCA) Pilot Free Green Mark (GM) User-Centric Feasibility Assessment programme to find out how green your premise is.

From 15 September 2017, BCA will be offering 50 free basic assessments on a first-come first-served basis. All assessments will be completed by 31 August 2018.

START

1. CHECK YOUR ELIGIBILITY

- Own/lease an existing commercial premise within a building, with a lease period of at least two years
- Submit 6 months of electricity bills
- First time participating in a Green Mark programme
- Applicant to evaluate recommendations from the feasibility study and develop a plan to meet Green Mark Ready

3. SITE ASSESSMENT

BCA interns will conduct the assessment under the supervision of BCA officers

2. ENTRY MEETING

Once you are accepted into the programme, we will brief you on the process of the assessment and set a timeline to complete the assessment

4. REPORT DELIVERY

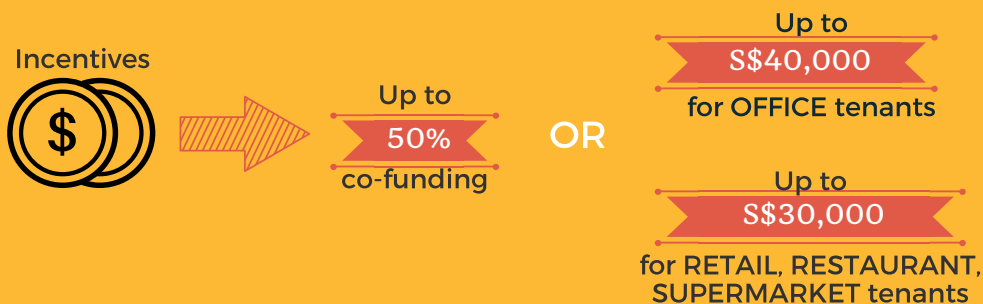

We will provide you with a basic assessment report with recommendations on how you can green your premise

WHAT'S NEXT? GREEN YOUR WORKPLACE!

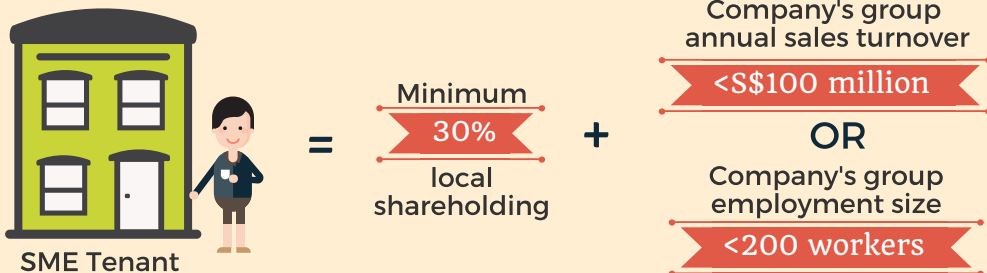

DO YOU KNOW THAT THERE ARE INCENTIVES TO SUPPORT YOUR GREEN JOURNEY?

The S\$50 million Green Mark Incentive Scheme for Existing Buildings and Premises (GMIS-EBP) encourages SME tenants to undertake energy improvement works to achieve substantial improvements in energy efficiency. It provides a cash incentive amounting up to 50% the qualifying costs incurred solely for the purposes of energy efficiency improvements in existing premises.

INCENTIVES FOR GMIS-EBP (TENANTS)
