THE INTER-AGENCY COORDINATING COMMITTEE (IACC) RESOLUTION PLATFORM

Objective

This circular is to invite industry to tap on the Inter-Agency Coordinating Committee (IACC) Resolution platform for expedient resolution of issues arising from conflicting regulatory requirements encountered by the project parties in their projects.

Background

2 IACC had earlier issued circulars in February 2019 and September 2021¹ to inform the industry on the commencement of a regular monthly IACC Resolution Meeting. A number of cases have been lodged by industry practitioners since 2019, with a diverse spectrum of issues being raised across various levels of complexity.

3 IACC strives to expeditiously resolve project issues caused by conflicting regulatory requirements between two or more agencies, towards a goal of facilitating smooth completion of projects. Project parties who are encountering such problems are encouraged to write to the IACC Secretariat to seek resolution assistance.

¹ Refer to IACC circular dated 1 September 2021 for more information.

Effectiveness of the IACC Resolution Platform

4 Industry practitioners recognise the benefits of the IACC Resolution platform as several cases are lodged at the IACC Resolution platform every year. IACC continues to encourage more industry practitioners to surface their project issue(s) as early as necessary to avoid or minimise impasses in the project's clearance and construction processes.

5 IACC targets to resolve cases expediently, depending on the complexity of the issues. Based on recent records², more than 90% of the cases lodged in 2021 onwards were effectively resolved within 3 months. IACC aims to continue to improve the time taken to resolve cases as part of its enhanced resolution framework.

Application

6 The IACC resolution meeting is scheduled to convene once every month. Any project team may submit their request to IACC by providing the necessary project information and case details using the IACC case lodgement form³. The requestor may send the completed form to the IACC Secretariat by email to BCA_IACC_Secretariat@bca.gov.sg

The IACC Secretariat will follow up with the requestor on the necessary towards the resolution, and/or earliest available resolution meeting date⁴, if applicable.

² Refer to Annex A

³ Refer to Annex B

⁴ Tentatively set at every last Tuesday of the month
