

Under the Periodic Façade Inspection (PFI) regime, responsible parties (such as building owners, MA, Town councils, agencies ...etc) must appoint Competent Person (CP) who can be either a Professional Engineer or Registered Architect (obtained the Certificate in Façade Inspection) to conduct façade inspections of their buildings. To facilitate responsible parties to search for appropriate CP for planning their façade inspection, we will be providing the following list of CP at BCA web site.

Hence, please let us know if you would like to be included in the CP list or provide updates to your details through the link or QR code: <https://form.gov.sg/#!/5f72f37ab435bd00114bf5b0>
