

Endorsement by QP(Geotechnical) and Specialist AC

Certification of Record Plans for Qualified Person (Geotechnical):

I, _____, the Qualified Person for the geotechnical aspects of the underground building works appointed under section 8(1)(d)(i) or 11(1)(d)(iii) of the Building Control Act, certify that to the best of my knowledge and belief the departures or deviations shown on the record plans do not show any inadequacy in the geotechnical aspects relating to the underground building works.

Standard Endorsement for Qualified Person (Geotechnical):

In accordance with Regulation 10A of The Building Control Regulations I, _____, the Qualified Person for the geotechnical aspects of the underground building works appointed under section 8(1)(d)(i) or 11(1)(d)(iii) of the Building Control Act, hereby submit the underground building works plans and the design calculations prepared by me and certify that, to the best of my knowledge and belief, they have been prepared in accordance with the provisions of the Building Control Regulations, the Building Control Act and any other written law pertaining to buildings and construction for the time being in force.

I further certify that these underground building works plans and design calculations are in reference to Project Ref. No: _____

Total no. of underground building works plans submitted: _____ and total no. of pages of design calculations in this book: _____

Certification of Record Plans for Specialist Accredited Checker:

I, _____, being a registered specialist accredited checker, certify that to the best of my knowledge and belief, the record plans do not show any inadequacy in the geotechnical aspects relating to the underground building works carried out in accordance with those plans.

I append my Evaluation Report (comprising _____ pages) as well as the analyses and calculations I have performed in carrying out the evaluation, analyses and review of the geotechnical reports and design calculations are in reference to Project Ref. No.:

I hereby declare that I have no professional or financial interest in the underground building works shown in the plans as defined in Section 18 of the Building Control Act (Cap 29).
